COMPANY ANNOUNCEMENT

1 JUNE 2018

RICHEMONT ACQUIRES WATCHFINDER.CO.UK LIMITED

Richemont, the Swiss luxury goods group, is pleased to announce that it has reached agreement to acquire 100% of the share capital of Watchfinder.co.uk Limited (“Watchfinder” or “the Company”), the leading pre-owned premium watch specialist, in a private transaction with its shareholders.

Established in 2002 in the United Kingdom, Watchfinder has grown organically under the careful stewardship of co-founder Stuart Hennell to become the leading platform to research, buy and sell premium pre-owned watches, both online and through its seven boutiques. In addition, Watchfinder operates a highly qualified customer service centre and employs c.200 employees worldwide.

Commenting on the transaction, Mr Johann Rupert, Chairman of Richemont, said:

“Sixteen years ago, Watchfinder’s founders foresaw the need for an online marketplace for premium pre-owned timepieces. Watch enthusiasts themselves, they established Watchfinder to provide excellence in customer experience. We believe there are substantial opportunities to help grow the Company further. Today, Watchfinder operates both as an ‘online’ and ‘offline’ business in a complementary, growing, and still relatively unstructured segment of the industry.

Together with YOOX NET-A-PORTER and our stake in Dufry, the acquisition of Watchfinder is another step in Richemont’s strategy. It will enable us to better serve the sophisticated needs of a discerning clientele.

We welcome Stuart Hennell and his team, and look forward to ensuring Watchfinder remains the compelling destination for premium pre-owned timepieces.”

The transaction is expected to close in the summer of 2018 and will have no material impact on Richemont’s consolidated net assets or operating result for the year ending 31 March 2019.

Corporate calendar

The Group's annual general meeting will be held on Monday 10 September 2018 in Geneva.
