More information on the Company's shareholder loyalty scheme, the 'A' warrants and the 'B' warrants can be obtained in the Company's 'Shareholder Information Memorandum' dated 19 October 2020, which can be consulted at www.richemont.com/en/home/investors/shareholder-information/shareholder-loyalty-scheme/

Depository Receipts

Until 21 April 2023, the Company's 'A' shares and 'A' warrants were listed and traded on the Johannesburg Stock Exchange in the form of depository receipts and warrant receipts, respectively ('DRs') issued by Richemont Securities, a wholly-owned subsidiary of the Company, which acted as Depository for the issuance, transfer and cancellation of the DRs. The ISIN of the DRs was CH0045159024 for the 'A' shares and CH0562931086 for the warrant receipts. The terms and conditions applicable to DRs were set out in a deposit agreement entered into between Richemont Securities as Depository, and the Company as Issuer.

On 17 March 2023, the Company announced its intention to terminate its DR programme and to list its 'A' shares and 'A' warrants on the Johannesburg Stock Exchange as a secondary listing, in addition to their main listing on the SIX Swiss Exchange. On 4 April 2023, the Company announced that the holders of DRs relating to the 'A' shares had approved the termination of the depository receipt programme by the requisite majority, and that it had obtained the required regulatory approvals to proceed with the termination of the programme. The 'A' shares and 'A' warrants underlying the DRs were credited to the securities accounts of the relevant South African investors on 24 April 2023, and the Company's 'A' shares and 'A' warrants were traded on the Johannesburg Stock Exchange.

Share repurchase and shares held in treasury

Over the course of the preceding 21-year period ended 20 March 2020, the Group had repurchased a total of 34 552 934 former 'A' units and 42 681 876 'A' shares through the market to meet obligations under share option plans for executives. During the year under review, there were no 'A' shares repurchased through the market.

Taking into account the exercise of options by executives during the course of the year and other activities linked to the Company's hedging activities, the balance held in treasury at 31 March 2023 was 3 990 320 'A' shares.

When 'A' shares are bought back, the cost value of the shares purchased in the market is deducted from shareholders' equity in the Group's consolidated statement of financial position. Gain or losses arising from the sale of shares are as a consequence of the exercise of options by executives, and are recognised within retained earnings directly in shareholders' equity. Details are given in note 29 (for note 29 see page 116 of this report).

Dividend-right certificates

There are no dividend-right certificates.

Transferability of shares

The Company's 'A' shares are issued as uncertificated securities within the meaning of the Swiss Code of Obligations and as intermediated securities within the meaning of the Swiss Federal Act on Intermediated Securities ('FISA'). Following entry in the Share Register, shareholders may request a statement in respect of their 'A' shares from the Company at any time. Shareholders do not have the right to request the printing and delivery of certificated 'A' shares. Certificates (individual share certificates or certificates representing several 'A' shares) may however be printed and delivered if considered appropriate by the Company. The transfer and encumbering of 'A' shares are carried out according to the provisions of the FISA. There are no restrictions on the transfer of 'A' shares. Transfers of the unlisted 'B' registered shares in the Company, which are held solely by Compagnie Financière Rupert, must be approved by the Board in accordance with Article 6 of the Articles. The limitations on transferability of shares may be removed by a resolution of the general meeting of shareholders passed by at least two-thirds of the shares and the absolute majority of the nominal share capital represented at a general meeting of shareholders.

According to Article 6 of the Articles, nominees holding 'A' shares may under certain conditions be registered in the Share Register as shareholders with voting rights.

Convertible bonds and options

As at 31 March 2023, there are no convertible bonds or options issued by the Company other than the share options issued in the context of the Group's share option plan. The details of the Group's share option plan are set out in the Compensation report from page 63 and in note 31 to the Group's consolidated financial statements (for note 31 see page 118 of this report).

Corporate governance continued

3. Board of Directors

Responsibilities and membership

In addition to the non-transferable and inalienable duties, the Board kept the powers and responsibilities which are stipulated in section 2.2.3 of the Organisational Regulations.

For section 2.2.3 of the Organisational Regulations see: www.richemont.com/media/be4nsorn/20210318_organisational_regulations.pdf

The Board is responsible for the overall strategic direction of the Group and the appointment of senior management. In addition, it is responsible for establishing financial controls and appropriate procedures for the management of risk within the Group as well as the overall supervision of the business. The Board is responsible for the preparation of the financial statements of the Company and of the Group and for the organisation of shareholder meetings.

With respect to the Board's membership and the qualities of its members as at 31 March 2023, nine nationalities are currently represented on the Board, which was composed of three executive directors and 13 non-executive directors with diverse professional and business backgrounds. The Board's Chairman is Mr Johann Rupert and its Deputy Chairman is Mr Josua Malherbe. The representative of the 'A' shareholders on the Board is Ms Wendy Luhabe. Board members are proposed for election on an individual basis at each year's annual general meeting ('AGM') for a term of one year. All directors are eligible to stand for re-election each year, details of nominations being given in the notice of the AGM. There is no restriction on the number of times a director may seek re-election and no formal age limit for directors.

Neither age nor the number of years served on the Board is deemed to affect a director's independence. Certain independent directors have served for more than ten years.

The non-executive directors are, without exception, indisputably independent in character and judgment. All non-executive members of the Board were not previously members of the management of the Company or one of the Company's subsidiaries in the three financial years preceding the period under review. They bring to the Board an array of expertise and experience. The Board considers that the combination of experience and expertise has been a significant factor in contributing to the superior returns for shareholders generated by the Group since the listing of Richemont on the Swiss Stock Exchange in 1988. Photographs and biographies of the current Board members may be found on pages 46 to 50.

At the AGM on 7 September 2022, Mr Ruggero Magnoni and Mr Jan Rupert did not stand for re-election to the Board. At the upcoming AGM that is expected to take place on 6 September 2023, the Board will propose shareholders to elect Ms Fiona Druckenmiller and Mr Bram Schot to the Board. Mr Guillaume Pictet and Maître Jean-Blaise Eckert have indicated that they will step down from the Board at the end of the financial year ending on 31 March 2024. Mr Clay Brendish and Ms Maria Ramos have indicated that they will step down from the Board at the end of the financial year ending on 31 March 2025.

In terms of its regular business, the Board generally meets for half a day to a full day, five times per annum. Further meetings on specific topics are held on an ad hoc basis. During the year under review, the Board held eight meetings. In addition, Board members attended meetings with the senior management of certain Maisons at which strategy, marketing plans and new products were presented. The Chairman and the Chief Finance Officer establish the agendas for the meetings of the Board. Directors may ask that an item be placed on the agenda for any meeting. Financial reports and supporting information in respect of agenda items are circulated to members of the Board in advance of each meeting. The Board may invite other managers and external advisors to attend meetings.

Professional background and other activities and functions

Details may be found on pages 46 to 50.

Activities outside the Group

The Articles (Article 26) limit the number of permitted outside mandates of Board members. Those activities include directorships in other organisations, including publicly listed businesses.

For Article 26 see: www.richemont.com/media/8d88cb444844e38/articles-of-incorporation.pdf

Elections and terms of office

Each of the Chairman of the Board, the members of the Board, the members of the Compensation Committee and the Independent Representative are elected individually by the general meeting of shareholders. They serve for a term of one year, which expires at the end of the following AGM. They are eligible for re-election indefinitely.

Board evaluation

The Board and each of its permanent Committees conduct an annual self-assessment of their own role and effectiveness. This provides members of the Board the opportunity to reflect on their individual and collective performance. The respective Committee's conclusions are communicated to the Board.

Board Committees

In terms of the Group's framework of corporate governance, the Board has established the following standing committees: an Audit Committee; a Compensation Committee; a Governance and Sustainability Committee; a Nominations Committee and a Strategic Security Committee. The current composition of these Committees is indicated below and in the biographical notes on Board members that may be found on pages 46 to 50.

Each Board Committee has its own written terms of reference outlining its duties and responsibilities and a Chair elected by the Board. The Chair of each Committee presents a summary of the proceedings of each Committee meeting to the Board. All Board Committees are entitled to invite members of senior management and external specialists to attend meetings for specific matters on an ad hoc basis.

Audit Committee

During the year under review, the five members of the Audit Committee were: Mr Josua Malherbe (Chair); Mr Clay Brendish; Maître Jean-Blaise Eckert; Dr Vesna Nevistic; and Mr Guillaume Pictet. The members are all non-executive directors and, without exception, independent in character and judgment.

Meetings of the Committee are held at least three times per annum and have a typical duration of half a day. Two additional meetings for the financial results announcements of the third quarter and first quarter of the financial year were scheduled to be held in January and July, respectively. During the year under review, four meetings took place. The Chief Finance Officer, the Head of Internal Audit, other members of senior management and representatives of PricewaterhouseCoopers SA, the Group's external auditor, attended three meetings. The Committee has met in camera with the internal auditor during three meetings.

The Audit Committee acts in an advisory capacity to the Board, except for the appointment of its advisors for which it has a decision power. Its principal tasks are to:

- satisfy itself that the consolidated financial statements follow approved accounting principles and give a true and fair view of the Group's financial position and results;
- recommend to the Board the appointment, reappointment or dismissal of the external auditor and keep under review their independence and objectivity as well as their level of compensation;
- examine and review, with both the external and internal auditor, the adequacy and effectiveness of the Group's accounting, financial and operational controls;
- oversee the effectiveness of the Group's Internal Audit function and liaise with the Head of Internal Audit on all matters of significance arising from the department's work;
- oversee the adequacy and effectiveness of risk management practices in the Group;
- examine and review the adequacy, effectiveness and integrity of the processes to assure the Group's compliance with all applicable laws and regulations; and
- ensure compliance with the Group's Code of Conduct.

The Chair of the Audit Committee reports the findings of each Committee meeting to the Board and makes recommendations to management on behalf of the Board.

Compensation Committee

During the year under review, the Compensation Committee was composed of Mr Clay Brendish (Chair); Dr Keyu Jin; Mr Guillaume Pictet; and Ms Maria Ramos. The members are all non-executive directors and, without exception, indisputably independent in character and judgment. To assist it in its deliberations, the Committee may draw on support from the Group's internal specialists and external advisors, whose role is explained in the Company's Compensation report from page 63. Meetings of the Committee are held as necessary but at least two times a year and typically last one to two hours. During the year

under review, the Committee met on five occasions and invited other managers or external advisors five times.

The purpose of the Committee is to support the Board in establishing and reviewing the compensation strategy and guidelines as well as in preparing the proposals to the general meeting of shareholders regarding the compensation of the Board and the SEC. The Compensation Committee can submit proposals to the Board on other compensation-related issues.

The Committee can appoint advisors. It has authority to establish the policy framework for the remuneration of the members of the senior management.

The Committee oversees the administration of the Group's long-term incentive plans for executive members of the Board and the members of the SEC. It approves, inter alia, the awards granted to executive directors and approves the awards made to other executives in aggregate, recognising that the SEC has the authority to make awards to executives other than those serving on the Board. In addition, the Committee oversees any material amendment to existing long-term incentive plans or the creation of any other long-term incentive plan pertaining to senior management.

Governance and Sustainability Committee

The Governance and Sustainability Committee consists of the following non-executive directors: Ms Jasmine Whitbread (Chair); Mr Clay Brendish; Ms Wendy Luhabe; and Mr Guillaume Pictet. Meetings of the Committee are held at least three times per annum. During the year under review, five meetings took place.

The purpose of the Committee is to support the Board in establishing and reviewing strategy, policies and guidelines with regard to ESG matters.

The Governance and Sustainability Committee acts in an advisory capacity to the Board, except for the following areas: regarding environmental matters, reviews and approves management proposals regarding CO₂ targets, climate change and biodiversity; regarding social matters, it reviews and approves management proposals regarding Diversity, Equity and Inclusion ('DEI') as well as matters regarding human and workplace rights and positive social impacts within the Group's operations, its supply chain and the communities in which it operates. The Committee further reviews and approves any material amendment to existing strategic plans relating to Corporate Social Responsibility ('CSR'), Environmental, Social and Governance ('ESG'), sustainability and any of their components; it also approves disclosures in the audited annual ESG Report and the Group's separate disclosures regarding Science Based Targets ('SBTi') and DEI.

Nominations Committee

The Nominations Committee has been reconstituted with effect from November 2022. The Committee now comprises the following directors: Mr Johann Rupert (Chair); Mr Nikesh Arora; Mr Clay Brendish; Dr Keyu Jin; and Ms Wendy Luhabe. Meetings of the Committee are to be held at least once a year, with the first meeting of the newly constituted Committee to be held in May 2023.

Corporate governance continued

The Nominations Committee acts in an advisory capacity to the Board, except for the appointment of its advisors for which it has a decision power. It consists of the non-executive directors meeting under the chairmanship of the Chairman of the Board.

The principal functions of the Committee are to advise the Board in areas such as the composition and size of the Board and the criteria to be applied in the selection of new members of the Board and senior management. In addition, the Committee is responsible for the nomination of directors to serve on Board Committees.

Succession planning is established throughout the Group's operations. At the level of Board membership, the Nominations Committee is responsible for continuity as directors reach retirement or indicate their intention to resign.

The Group's succession plans seek to preserve the current balance of executive directors, former executive directors in a non-executive capacity, and non-executive directors who have not held operational responsibilities within the Group. While this balance will be preserved in the long term, as the continuity it brings to strategic discussions is one of the Group's strengths, the profile of individual appointments may vary from time to time. Such variations take account of the Board's evolving requirements in terms of experience and diversity.

Strategic Security Committee

The Strategic Security Committee acts in an advisory capacity to the Board. It also has authority to appoint advisors, and key officers responsible for security matters within the Group.

The Strategic Security Committee is composed of the following four non-executive directors: Mr Clay Brendish (Chair); Mr Josua Malherbe; Mr Jeff Moss; and Mr Anton Rupert.

To assist it in its deliberations, the Committee draws on support from the Group's internal specialists and external advisors. Meetings of the Committee are held as necessary and typically last half a day. The Committee met five times during the year under review and invited other managers to these meetings.

The purpose of the Committee is to advise the Board in all aspects of security policy. It aims to protect the Company's assets, including confidential business information and intellectual property, and its operations against intrusive actions. It also oversees the protection of Richemont's employees and physical assets.

Attendance

The attendance of each executive and non-executive director at Board and Committee meetings during the year under review are indicated in the following table.

Control and risk management instruments

Management is responsible for implementing the strategic policies determined by the Board. Members of management are empowered to conduct the day-to-day strategic and operational administration of the Group including, inter alia, financial management. Senior management is responsible for the management of the Group's underlying businesses and investments, subject at all times to an obligation to provide adequate information on the development of those businesses to the Board. Management operates within the guidelines as set out in the Group Investment Procedures and such other policies and procedures as may from time to time be laid down by the Board. In addition, management provides the Board with appropriate support to consider and evaluate strategic alternatives.

The Board employs various reporting means and control mechanisms in order to monitor the way in which senior management exercises the authority delegated to it.

- Prior to each Board meeting, members of the Board receive a financial report, summarising recent Group, segmental and Maison financial performance as well as operational developments.
- Members of the SEC ('Senior Executives') report to the Board at each meeting. Supplementary reports are provided by the Company Secretary.
- The Group's employee performance review process requires that members of management are given clearly defined targets at the beginning of each financial year. The Senior Executives monitor performance against these targets on an ongoing basis and report progress to the Board.
- There is interaction between the Board and other members of the management, for example, through the presence on a regular or ad hoc basis at Board Committee meetings. Members of the Board are also exposed to the decision-making process at the level of each Maison through their involvement with the annual reviews of the Maisons' strategies.
- The Group's Internal Audit function provides an objective means of assessing how the Group's risks are being managed and controlled. This function's independent status is reinforced by the direct reporting line from the Head of Internal Audit to the Chairman of the Audit Committee. The function performs financial and operational audits in accordance with a programme approved annually by the Audit Committee. This risk-based programme is designed to ensure that all business units as well as Group-wide issues are given sufficient audit coverage within an appropriate time frame. Summary reports from each audit are provided to the Audit Committee and discussed at its meetings. Progress with implementation of corrective actions is monitored on a regular basis.

The Group's risk profile is evolving, reflecting the volatile global macro and luxury environment. Enterprise risk management is a fundamental element of the Group's approach to risk management. A key goal is to ensure strong organisational alignment as to key risks facing the Group, which, if not mitigated, would prevent the Group from achieving its strategic objectives. To ensure that risks are identified and mitigated the Company has a risk management process which considers both strategic and operational risks ('Key Risks'). These Key Risks are identified through discussions with senior executives and reviewed and discussed at an annual meeting of the Senior Executive Committee. Following this meeting, a senior executive is appointed as Risk Coordinator for each Key Risk and is responsible for developing a risk mitigation plan ('Risk Mitigation Plan') and ensuring that mitigating actions are implemented. All identified Key Risks are modelled according to their probability of occurrence and potential impact and subsequently prioritised by management. A consolidated risk report, which includes the Risk Mitigation Plans prepared by the respective Risk Coordinator, is reviewed annually by the Audit Committee and the Board. The Key Risks identified include the risks associated with inter alia Security/Business Interruption, Business Transformation and Compliance, which can be explained as follows. The Group's success is highly dependent on its ability to respond to major business interruption events such as Covid-19 and to adapt to the secular changes in the luxury industry, caused by accelerating industry digitisation, increasing importance of customer-centricity, and volatility of the socio-economic and geopolitical environment. The Company is focusing on leveraging the Group's strategic investments and partnerships to cope with disruptive competitive market forces, by identifying new growth opportunities. Compliance risks and related monitoring requirements are continuing to rise, as regulators, financial institutions and governments are tightening the various legal frameworks where the Group and its Maisons are conducting business, in areas such as anti-bribery and corruption, anti-money laundering, international sanctions, anti-trust and competition, cybersecurity and data privacy, labour and employment and product/trade and sourcing. The Company has established a Legal and Regulatory Compliance Committee to discuss compliance priorities and analyses of various legal and regulatory monitoring tools.

4. Senior Executive Committee

Except where the law, the Articles or the Organisational Regulations of the Company provide otherwise, the Board has delegated the entire management of the Company to the SEC. The exact scope of the SEC's powers is outlined in section 3.2 of the Organisational Regulations of the Company, which can be consulted here: www.richemont.com/media/be4nsorn/20210318_organisational_regulations.pdf

The SEC comprised, from 1 April 2022 until 10 November 2022, of Mr Johann Rupert, Mr Jérôme Lambert, the Group Chief Executive Officer, and Mr Burkhart Grund, the Chief Finance Officer. Ms Patricia Gandji, in her capacity as Chief People Officer and CEO of Regions, and Dr Bérangère Ruchat, in her capacity as Chief Sustainability Officer, joined the SEC, respectively, from 11 November 2022 and 10 February 2023.

Their biographical details and other activities may be found on: www.richemont.com/en/home/about-us/corporate-governance/senior-executive-committee/

The SEC focuses solely on strategic direction, capital allocation, governance, and the provision of central and regional functions for the benefit of the Group's Maisons and businesses.

Mr Lambert, the Group Chief Executive Officer, leads the development of strategic plans reflecting the long-term objectives and priorities established by the Board.

In accordance with section 3.1 of the Organisational Regulations, the Chairman of the Board oversees the convening of meetings of the Board and ensures the liaison between the Board and the SEC. Other managers were invited to participate on an ad hoc basis at the Chairman's discretion.

The SEC meets on an ad hoc basis to review matters associated with the implementation of the Group's strategic policies. During the year under review the Committee met twelve times.

For section 3.1 of the Organisational Regulations see: www.richemont.com/media/be4nsorn/20210318_organisational_regulations.pdf

Activities outside the Group

The Articles (Article 36) limit the number of permitted mandates of Senior Executives. Those activities include directorships in other organisations, including publicly listed businesses.

For Article 36 see: www.richemont.com/media/8d88cb444844e38/articles-of-incorporation.pdf

Management contracts

There are no contracts between the Group and any third parties for the management of the Company or any subsidiary in the Group.

Committees reporting to the Senior Executive Committee

From time to time, committees of the SEC may be established to determine the Group's policy in specific business areas, including finance, health and safety matters and corporate social responsibility.

5. Compensation, shareholdings and loans

Details of compensation-related matters are given in the Compensation report from page 63.

6. Shareholder participation rights

Voting rights

Holders of Richemont shares may attend and vote at meetings of shareholders of the Company. They may attend in person or may appoint a third party to represent them at the meeting. In addition, an independent representative is appointed at each general meeting by shareholders for a term of one year expiring at the end of the following year's AGM.

There is no limit on the number of shares that may be held by any given party. Pursuant to Article 6 of the Articles, the voting rights attaching to those shares are only restricted if the shares are either unregistered or are held by a registered nominee with at least 1% of the share capital of the Company and that nominee has declined the Company's request to provide certain details regarding beneficial owners. Further details of this restriction may be found in Article 6 of the Articles.

For Article 6 see : www.richemont.com/media/8d88cb444844e38/articles-of-incorporation.pdf

The Company 'A' and 'B' shares have equal rights to share in the dividends and capital of the Company; 'B' shareholders are entitled to receive 10% of the dividend per share paid to 'A' shareholders and hold 9.1% of the Company's capital. However, despite the differing par values of the 'A' and 'B' shares, each 'B' share conveys the same voting rights as each 'A' share, in normal circumstances, at shareholder meetings. Richemont 'B' shareholders therefore control 50% of the votes at shareholder meetings. The 'B' registered shares are entirely held by Compagnie Financière Rupert (see section 1 above). In accordance with Swiss company law, certain resolutions, notably those relating to the purpose of the Company, its capital structure, the transfer of its registered office or its dissolution, require the approval of two-thirds of the shares and the absolute majority of the nominal share capital represented at a general meeting of shareholders.

The relevant date to determine the shareholders' right to participate in the general meeting of shareholders on the basis of the registrations appearing in the share register is set by the Board and is stipulated in the notice of meeting.

Statutory quorums

The general meeting of shareholders is the Company's ultimate decision-making forum. Resolutions of the general meeting are generally passed by an absolute majority of the votes represented at the meeting. As mentioned above, certain resolutions may require the approval of two-thirds of the shares and an absolute majority of the nominal share capital represented at a general meeting of shareholders.

Further details on quorum and requisite majorities may be found in Article 704 of the Swiss Code of Obligations and Article 18 of the Articles.

For Article 18 see: www.richemont.com/media/8d88cb444844e38/articles-of-incorporation.pdf

Corporate governance continued

Convocation of the general meeting of shareholders and inclusions of items on the agenda

It is contemplated that the AGM, in respect of the financial year ended 31 March 2023, will be held on 6 September 2023 at the Hotel InterContinental, Geneva. The notice period and agenda in respect of the meeting follow the requirements of Swiss company law.

Holders of a minimum of one million 'A' shares in the Company with a par value of CHF 1 million may request that an item be placed on the meeting agenda. The Company will communicate the deadline for submitting such a request for the 2023 AGM by means of notice, which will be published in the Swiss Official Gazette of Commerce pursuant to Article 46 of the Company's Articles.

For Article 46 see: www.richemont.com/media/8d88cb444844e38/articles-of-incorporation.pdf

7. Change of control and defence mechanisms

In terms of the FinMIA and its implementing ordinances, the Company has not elected to 'opt out' or 'opt up' in respect of the provisions relating to the obligations for an acquirer of a significant shareholding to make a compulsory offer to all shareholders. In accordance with FinMIA, any party that would directly or indirectly, or acting in concert with third parties, acquire more than 33⅓% of the voting rights of the Company would therefore be obliged to make an offer to acquire all of the listed equity securities of the Company.

No specific provisions exist in the Articles or Organisational Regulations of the Company which would seek to limit or block any takeover bid. No special contractual relationships exist between Group companies and directors or members of senior management which would protect management or act as a deterrent to a change of control of the Company.

The rules of the long-term compensation plans for executives in the Group contain specific provisions in respect of a change of control of the Group. These provisions are typical in terms of such plans and would result in the immediate vesting of benefits due to participants in the event of a change of control taking place.

8. Auditor

The external auditor reports to the Board through the Audit Committee, which also supervises the Group's relationship with the auditor.

PricewaterhouseCoopers SA was reappointed by the Company's shareholders at the 2022 AGM as the auditor of the Company's financial statements and the Group's consolidated financial statements. It was appointed for a period of one year and, being eligible, will stand for a further period of office of one year at this year's AGM.

PricewaterhouseCoopers was initially appointed as auditor of the Company and the Group in 1993 (as Coopers & Lybrand). Mr Guillaume Nayet, the lead auditor, assumed that role in September 2018. In accordance with Swiss law, the lead auditor rotates at least once every seven years.

In the year under review, total fees and expenses paid or accrued as payable to PricewaterhouseCoopers for the audit of the financial statements of the Company, the Group and its subsidiaries were € 11.3 million. Total fees and expenses paid or accrued as payable in respect of the financial year to PricewaterhouseCoopers for non-audit services amounted to € 1.1 million, primarily relating to tax compliance services.

The scope of services provided by the external auditor is reviewed annually by the Audit Committee and the relative weight of non-audit work provided by the external auditor is also kept under close review. The Audit Committee further assesses the effectiveness of external audit and the independence and objectivity of the external auditor, reviews the level of remuneration to be paid to the external auditor and approves the fees to be paid for the audit of the financial statements of the Company and the Group.

A questionnaire-based evaluation, in which the Finance Director of every subsidiary is consulted, forms the basis of an annual review of the external auditor's performance. The results of the evaluation are reviewed by the Audit Committee.

Representatives of PricewaterhouseCoopers attended three meetings of the Audit Committee held during the year as well as the meeting of the Committee held on 10 May 2023 at which the financial statements were reviewed. The Audit Committee has also met in camera with the external auditor during the course of these three meetings.

The Company has decided to initiate a comprehensive tender process for its external audit function, under the supervision of the Audit Committee. It is anticipated that this process will be completed in the Company's 2024 fiscal year, with the Board to propose to the 2025 AGM the appointment of the chosen firm for the financial year ending 31 March 2026, at the earliest.

9. Information policy

The Group reports to shareholders in accordance with the requirements of Swiss law and the guidance provided by the SIX Swiss Exchange. The annual report is the principal source of financial and business information for shareholders. The Group's announcement of the results for the financial year is issued in May each year.

In addition to the regulatory annual and interim reports, Richemont publishes trading statements in July covering the Group's performance during the first quarter of its financial year, and in January covering the Group's performance during the third quarter of its financial year and the pre-Christmas trading period. Ad hoc announcements are made in respect of matters, which the Board considers to be of significance to shareholders, in accordance with the specific guidelines laid down by the SIX Swiss Exchange.

The annual report is distributed to all parties who have asked to be placed on the Group's mailing list. Investors may request electronic notification that such reports have been published on the Group's website.

All news announcements other than the annual financial report are distributed by email. Shareholders and other interested parties may ask to be included on the distribution list by contacting the Company Secretary at the Company's registered office or by email (secretariat@cfrinfo.net) or by registering on the Group's website at www.richemont.com/en/home/contact-us/subscribe-to-our-press-releases/

10. Closed periods

Richemont defines the principles related to the closed periods within the Group's Code of Conduct.

The Code of Conduct applies to the members of the Board, the former members of the Board who served within the last twelve months or act as advisors to the Board, the members of the SEC, and other directors, employees and consultants of Group companies, who have been notified that they are subject to trading restrictions set forth in the Code (the 'addressees').

During closed periods and subject to certain conditions and exceptions mentioned below, the addressees are prevented from entering into trades on the securities issued by Richemont (or by another entity within the Group), as well as the instruments which have securities issued by Richemont (or by another entity within the Group) as their significant underlying asset. The prohibition to enter into trades during closed periods also applies to persons connected with the addressees (such as spouses and other individuals living in the same household as the addressees) and entities on which the addressees have a significant influence.

The Group is in closed periods:

- from 1 April until the announcement of the annual results;
- from 1 July until the trading update for the quarter ended 30 June is published;
- from 1 October until the announcement of the interim results; and
- from 15 December until the trading update for the quarter ended 31 December is published.

By way of exception, trades entered into by connected persons or entities that do not affect the addressees' assets are not subject to closed period restrictions if the addressees do not have a significant influence on the trade. In limited circumstance, trades that affect the assets of an addressee may not be affected by closed periods when the recipient has no possibility to influence the trade. Upon request, an authorisation to trade in a closed period may exceptionally be granted by the Chief Finance Officer.

Additionally, the members of the Board and the SEC as well as a number of notified addressees are subject to a clearance regime, whereby trades outside of closed periods must be authorised prior to being carried out.
